

Restaurant Green Zone Supports Eat BC!

Are you looking for fresh, local, tasty British Columbian food products? Look no further because Eat BC ! officially kicks off this month

This year, we are expecting up to 200 restaurants, retailers, universities, hotels, farmers' markets, hospitals and others to promote locally grown and processed foods using the Eat BC! theme.

Please visit : www.eatbc.com for more information.

Be sure to check out their list of participating restaurants

(HINT: You can sort by Restaurant Green Zone Participants too!)
